Consultant

---

### Position with Firm

2022–present **Consultant.** Conducts research and analysis on firm projects; provides support to team members; translates findings into clear, effective communications; and assists in creating client deliverables, scheduling meetings, and coordinating project work.

---

### Previous Professional Experience

2018–2022 **Fiscal Analyst, Michigan Senate Fiscal Agency,** Lansing, Michigan. Analyzed legislative bills in diverse policy areas and assessed their fiscal impact on State and local governments, collaborated with coworkers to coordinate projects and meet deadlines, conducted research on topical policy issues, and wrote issue papers, briefs, and memos.

2017–2018 **Public Policy Research Associate, Communications and Research, Inc.,** East Lansing, Michigan. Monitored legislation and current events to evaluate clients' public outreach strategies, conducted interviews and gathered qualitative data, identified and mapped geographic target areas for client marketing efforts; and assisted in project management and evaluation.

2017–2018 **City Management Intern, City of East Lansing,** East Lansing, Michigan. Researched diverse policy issues and best practices to support staff projects, created graphs and visuals for public presentations on local fiscal issues, and attended community events to support staff and engage with residents.

2016–2016 **Tax Foreclosure Prevention Intern, Wayne County Treasurer,** Detroit, Michigan. Coordinated meetings with fellow interns, community organizations, and assistance groups to strategize and establish partnerships; researched tax foreclosure policies; and visited residents to distribute assistance information.

Education Michigan State University, BA in Interdisciplinary Studies in Social Science—International Studies and Political Science and MPP with a specialization in Global Urban Studies
