

## Peter Lindeman

Senior Consultant

### Position with Firm

2022–present **Senior Consultant.** Conducts policy research and program evaluations across a wide variety of topics, including health and human services. Translates research and evaluation findings to diverse stakeholders through developing and disseminating reports, strategic plans, and other client deliverables. Assists clients identify and implement creative solutions to their challenges to maximize community impact.

### Previous Professional Experience

2021–2022 **Communication and Operations Manager, Washtenaw County Government, Ann Arbor, Michigan.** Wrote and reviewed resolutions and policies for board of commissioners consideration. Collaborated with board of commissioners leadership to develop policy and fiscal priorities for board actions. Led strategic planning for board communication and outreach efforts. Designed and distributed board-generated communication efforts (e.g., press releases, social media).

2019–2021 **Communication and Policy Specialist, Washtenaw County Government, Ypsilanti, Michigan.** Participated in strategic planning for Office of Community and Economic Development (OCED) communication efforts. Designed and distributed communications (e.g., annual reports, project presentation). Led or assisted in the implementation of several OCED projects aimed at promoting community health and well-being and encouraging generational success.

2017–2019 **Evaluation Project Coordinator, Institute for Sexual and Gender Minority Health and Wellbeing, Northwestern University, Chicago, Illinois.** Managed the evaluation of 20 HIV prevention programs implemented by hospitals, health centers, and community-based organizations. Championed dissemination efforts to ensure lessons learned were communicated to academic audiences, policy makers, and the community.

2016–2017 **Graduate Research Assistant, University of Chicago Urban Labs, Chicago, Illinois.** Conducted thorough and critical reviews of interventions at the intersection of health, housing, environment, and criminal justice. Assisted with the coordination of research activities, project proposals, communications with stakeholders, and fundraising activities.

Education      Michigan State University, BA in Marketing  
Michigan State University, MA in Program Evaluation
