

Position with Firm

- 2025–present *Program Manager*, Indiana Energy Independence Fund. Manages the administration of clean energy lending programs that expand equitable access to renewable energy and energy efficiency investments across Indiana. Coordinates multistakeholder partnerships with municipal governments, nonprofits, and community organizations to deliver and develop financing and capacity-building initiatives. Assists with program budgeting, contracting, and evaluation to align operations with IEIF's mission and ensure effective product and program delivery.
- 2024 *McKinney Climate Fellow*, Indiana Energy Independence Fund.

Previous Professional Experience

- 2025 *Associate Project Developer*, New Leaf Energy, Chicago, Illinois. Advanced community-scale solar and wind projects from site prospecting through early-stage development. Conducted regulatory and environmental due diligence, performed GIS-based parcel screening, and engaged directly with landowners to secure site control agreements. Developed spatial analysis tools that improved internal outreach tracking and siting efficiency across Illinois markets.
- 2024 *Student Consultant*, O'Neill School of Public and Environmental Affairs, Bloomington, Indiana. Developed monitoring, evaluation, and learning (MEL) frameworks to assess participatory codesign workshops for Armenian social service and budgeting reforms. Collaborated with the United Nations Development Programme and the Government of Armenia, and presented findings and recommendations to the UNDP Sustainable Development Goals Innovation Lab.
- 2022 *Regional Field Director*, CADC LLC, Champaign, Illinois. Managed regional outreach and staff development for civic engagement initiatives across Illinois's Thirteenth Congressional District. Directed the training, scheduling, and supervision of field organizers while coordinating partnerships with hundreds of local businesses and community groups.
- Education Indiana University, BA in International Studies and Spanish Linguistics
Indiana University O'Neill School of Public and Environmental Affairs, MPA with concentrations in Policy Analysis and Public Financial Administration

Honors

- McKinney Climate Fellowship
- O'Neill Environmental Justice Fellowship
- Delegate, 25th United Nations Conference of the Parties
